Notes & Instructions

Items with a blank check box are required. The column indicates the activity. Except as noted, the items on this list are required and all Cadets, including staff Cadets, must have the items listed for their activity. Counts are minimums; attendees are encouraged to bring extra items as needed. Note that some items are optional and some items are specific to NCOLS; use care to refer to the correct list when packing.

There are laundry facilities in the barracks, but there are limited opportunities to do laundry. Plan on going the week without doing laundry. Cadets must move their own belongings from the drop-off area to their barracks. Travel-sized items and rolling luggage is encouraged.
